LEAD 4351. Community Engaged Leadership.

Community Engaged Leadership: This course is part of a minor in Leadership and Community Engagement in which students will gain a basic understanding of how to be leaders in applying principles of community engagement in organizational settings. With the course's design grounded in community-based practice, students will complete the course with the skills necessary to dynamically engage different stakeholder sectors, lead the collaborative design of strategic plans, promote multi-level cohesion, and communicate to different audiences. Given the importance of community-engaged leadership, students in this course will also discuss and practice skills for building effective teams and accomplishing individual and group objectives through teamwork.
