SCED 4393. Internship in Secondary Ed I.

Internship in Secondary Education I (3-0-20) As part of the internship, students enroll in Internship I in the field-based program. Interns are grouped in cohorts, assigned to secondary (9-12) schools and scheduled three half days of internship per week throughout the semester. In addition to classroom teaching duties, interns are enrolled in university classes and Internship Seminars that help them apply their theoretical understandings to actual practice. The fieldwork consists of assisting in student-centered classroom instruction mostly through tutorial duties and small group work. Prerequisites: Admission to Teacher Education and department approval.

SCED 4394. Internship in Secondary Ed II.

Internship in Secondary Education II (3-0-20) Continuation of SCED 4393. Students enroll in Internship II of the field-based program and participate in student-centered classroom instruction as members of the instructional team. In addition to classroom teaching duties, interns are enrolled in university classes and Internship Seminars that help them apply their theoretical understandings to actual practice. Interns demonstrate that they can synthesize the knowledge, values, and experiences of earlier semester in developing an effective professional style. Interns are scheduled all day throughout the semester. Prerequisites: SCED 4393 with a grade of " C " or better and department approval.
